Re: Certificate of Insurance

To Whom It May Concern:

In the Capitol Region Council of Governments fuel needs, it asks for a certificate of insurance with the Member Agency named as additional insured. It is Petroleum Traders Corporation's practice to only have a company listed as "additional insured" if we are awarded their bid. Therefore, if we are notified we are awarded IFB #754 – Gasoline for any participating member agency, we will be more than happy to provide a certificate naming them as additional insured.

Thank you for your understanding,

Joseph Vanderpool
