BILLING OPTIONS

By selecting one of the following billing options and placing an offer, you are agreeing to pay BidSync 2% of the award amount, if you are the winning bidder. If you are the winning bidder, the agency will confirm the award amount once the bid has ended and the agency has made an award decision. The invoice you will receive from BidSync will reflect your billing selection and payment due dates for the amount awarded to your company by the agency.

PAY ON INVOICE

BidSync's Pay On Invoice options allows Vendors greater flexibility working with lengthy Government contracts by accepting payment of the fee divided into three equal payments. The payments will be due within 30 days, 60 days, and 90 days from the date of the initial award. If at any time the payment is late, penalties and interest will apply.

PAY ON AWARD

BidSync's Pay On Award option offers a 2.0% discount to the total fee when full payment is made within thirty (30) days of the award. If full payment is not received within thirty (30) days of award, the pay option will default to the Pay On Invoice Option.

The Vendor may contact BidSync's Accounts Receivable at 800-990-9339, ext 478 to set a custom payment schedule, within fifteen (15) days of bid award. For the purpose of this exhibit: the term "Contractor" shall also include their respective agents, representatives, employees or subcontractors; and the term "Town of West Hartford and West Hartford Board of Education" (hereinafter called the "Town") shall include their respective officers, agents, officials, employees, volunteers, boards and commissions.

The Contractor shall procure and maintain the required insurance coverage against claims that may arise from, or in connection with the services and goods provided by the Contractor for the duration of the contract term, including any and all extensions. The Contractor shall provide the Town with a certificate of insurance confirming compliance with this exhibit prior to commencement of the contract. Such insurance shall be written for not less than specified, or required by applicable federal, state and/or municipal law, regulation or requirement, whichever is greater. The Contractor shall assume any and all premiums and deductibles in the described insurance policies. Both the Contractor and Contractor's insurer(s) agree to have no right of recovery or subrogation against the Town and the described insurance shall be primary coverage. Any failure to comply with the claim reporting provisions of the policy shall not affect coverage provided to the Town. Each required insurance policy shall not be suspended, voided, cancelled or reduced except after thirty (30) days prior written notice, ten (10) days notice for non-payment, has been given to the Town.

All liability policies (with the exception of Worker's Compensation) shall include the Town of West Hartford, the West Hartford Board of Education, and their respective officers, agents, officials, employees, volunteers, boards and commissions as an Additional Insured and shall include, but not be limited to investigation, defense, settlement, judgment or payment of any legal liability. Failure to maintain the required insurance coverage and Additional Insured Endorsements shall be grounds for termination of the contract. It is agreed that the scope and limits of the insurance specified are minimum requirements and shall in no way limit or exclude the Town from additional limits or coverage provided under each policy. The policies shall be on the occurrence form and must be written by companies licensed to do business in the State of Connecticut. The Town's Risk Manager shall review any and all exceptions.

Policy to include collision and comprehensive coverage for any auto used for the purpose of this contract.

Umbrella Liability: \$1,000,000 per occurrence, \$2,000,000 aggregate following form.

Workers' Compensation: Statutory limits including Employer's Liability with limits of \$100,000 each accident, \$500,000 for each disease/policy limit, and \$100,000 for disease for each employee as required by the State of Connecticut. If the Contractor decides not to procure workers' compensation in accordance with Connecticut law, the Contractor agrees to comply with the Connecticut Workers' Compensation Act's (Act) requirements for withdrawing from the provisions of the Act, including, but not limited to, filing the appropriate notice of withdrawal with the commissioner. The Contractor is wholly responsible for taking the actions necessary to withdraw from the provisions of the Act. In lieu of procuring workers' compensation insurance and providing the Town with proof thereof, the Contractor agrees to hold the Town of West Hartford, the West Hartford Board of Education, their respective boards and commissions, officers, agents, officials, employees, servants, volunteers, contractors and representatives harmless from any and all suits, claims, and actions arising from personal injuries sustained by him during the course of the performance of this contract, however caused.
