**Questions**

The following questions were submitted in writing to CRCOG prior to the February 22, 2017 11:00 a.m. E.T. question deadline. This addendum represents the second and final addendum to the RFQ:

**Question:** Can you please confirm that only GSA Standard Form 330 Part II is required for the submittal and not a Part I? Is the Part II required for both the prime and any subconsultants?

**Answer:** Only GSA 330 Part II is required. GSA 330 Part I can also be included in the response, but is not required. Please provide separate GSA 330 Part II's for the prime and each major subconsultant.

**Question:** Is a SF330 required as part of the submittal, or is it to be provided upon interview?

**Answer:** Please provide GSA 330 Part II's for the prime and each major subconsultant as part of the submittal package. Responses should be in the format listed in the RFQ. GSA 330 Part I can also be included in the response, but is not required.
