To date, some 115 towns, boards of education and agencies across the State (38 of which are located in the Greater Hartford area) are eligible to take advantage of the Council’s services.

**BID FORMS/SUBMISSION OF BIDS**

The Council exclusively uses Bid Sync for the notification and dissemination of all solicitations. The receipt of solicitations through any other company may result in your receipt of incomplete specifications and/or addenda which could ultimately render your bid non-compliant. The Council accepts no responsibility for the receipt and/or notification of solicitations through any other company.

No oral, telegraphic or telephonic submittal will be accepted. IFB’s, RFP’s, RFQ’s and RFI’s shall be submitted in electronic format via **BidSync**. All Invitations For Bid (IFB), Requests For Proposals (RFP), Requests For Quotes (RFQ), Requests For Information (RFI) submitted electronically via **BidSync** shall remain locked until official date and time of opening as stated in the Special Terms and Conditions of the IFB, RFP, RFQ and/or RFI. A formal, in-person bid opening will not be held.

**EXCEPTIONS TO SPECIFICATIONS**

Vendors are directed to make sure that they understand the terms and conditions as specified in this Invitation for Bid. Unless exceptions to any of the terms and conditions, including pricing, are specified as part of the bid response, it will be expected that all terms and conditions expressed herein are acceptable and shall govern resulting contracts. **Any variance from specifications, including product substitutes (as well as replacements for discontinued items) and pricing units (pounds, 50 lb bags vs. 100 lb bags, etc.) must be clearly noted in the vendor’s bid response.**

**SUBSTITUTION FOR NAMED BRANDS**

Should brand name items appear in this bid, the bidder must make available specifications on any substitutions, and explain how the substitution compares with the named brand’s specifications.

**BID AWARD**

A bid award shall be made by each respective Member Agency to the lowest responsible bidder(s). A Purchase Order issued by the member Town constitutes an award. The lowest responsible bidder is that person or firm whose bid to perform the work is lowest, who is qualified and competent to do the work, whose past performance of work is satisfactory to the Member Agency and whose bid documents comply with the procedural requirements stated herein. The award process may also include additional considerations such as the information provided on the bid forms and the bidder’s perceived ability to fulfill his/her obligations as prescribed by these specifications. Each bidder must be prepared to show evidence of having satisfactorily carried out a similar contract, as inability to do so may be cause for rejection.

### **CONTRACT EXTENSION**

Contracts may be extended by mutual agreement of the parties – for bids with a one year contract period, a one year extension will be permitted if there is mutual agreement; for bids with a two year contract period, a two year contract extension will be permitted if there is mutual agreement. All extensions shall be completed before the next bid invitation is issued. A schedule of bid invitations and openings is posted on the CRPC website.

### **ESTIMATED QUANTITIES**

The quantities as listed herein are **estimates only** and have been provided for the purpose of competitive bidding. Actual quantities will be contingent upon the total number of Member Agencies that decide to make an award off of this bid (as participation is voluntary) and the needs of the using departments in the various Member Agencies.

The cooperating Member Agencies reserve the right to waive any informality in a bid when such a waiver is in their best interest.

### **BID PRICES**

It should be noted that the awarded vendor shall assume full responsibility for the negligence of any sub-contractor(s) utilized to fulfill any and all obligations under resulting contracts.

Moreover, if the contractor fails to make proper delivery within the time specified or if the delivery is rejected by the Member Agency, the Member Agency may obtain such commodities or any part thereof from other sources in the open market or on contract. **CAPITOL REGION PURCHASING COUNCIL  
INVITATION TO BID FOR CATCH BASIN CLEANING SERVICES  
CRPC #666**

The Capitol Region Purchasing Council invites sealed bids for the supply of CATCH BASIN CLEANING AND DISPOSAL SERVICES for the period commencing January 1, 2018 and ending December 31, 2019.

**II. TECHNICAL SPECIFICATIONS/ADDITIONAL REQUIREMENTS**

1. **General Description of Work**

The awarded contractor(s) shall be responsible for providing cleaning catch basin. It should be noted that the majority of the participating communities have indicated a preference for the vacuum method of cleaning, as opposed to the scoop method. Upon completion of each job, catch basins must be free of debris to a degree that will ensure their efficient operation. Such degree of cleanliness is to be reasonably determined by each community's highway superintendent(s) or their agent. The contractor may be recalled to re-clean any unsatisfactorily cleaned basin(s) without charge.

The awarded contractor shall be responsible for the proper disposition of all materials collected during the cleaning process. Each respective town's highway superintendent (or his or her agent) will be responsible for communicating, in writing, where said materials shall be dumped (e.g. town landfill, sand pit for recycling, out-of-town location, etc.). Bid prices furnished on a per basin basis shall cover the disposition of materials at town dumpsites. Any arrangements that are made to dump materials outside the town will be subject to separate hauling/trucking fees, to be quoted on an hourly basis. Finally, it shall be understood that any related tipping/dumping fees incurred by the awarded vendor will be passed through to the respective town on subsequent invoices.

2. **Workers**

The contractor will supply at least one competent, faithful, skilled and experienced operator per vehicle to perform the required work. **IF NECESSARY, A TOWN MAY SUPPLY ONE HELPER, BUT THE NEED FOR SUCH A HELPER SHALL BE CLEARLY STATED AS PART OF A BID PROPOSAL.** If at any time a town highway superintendent (or their designee) shall notify the contractor that an assigned operator is apparently incompetent or unfaithful, such operator shall be discharged promptly and shall not be employed again on the job.

3. **Cleanup**

Upon suspension or completion of the work, the contractor shall remove all materials, equipment and rubbish, and shall leave the premises in a neat and orderly condition. Such efforts shall include ensuring that both the basin cover itself and the area immediately surrounding the basin are free from any debris to prevent re-entry of such materials into the basins.

4. **Time of Starting and Completion**

Work shall be performed substantially within the intervals provided by the various towns to be established with each awarding entity. Any variation in these schedules shall be made by written agreement with the respective highway superintendent. If the

**CAPITOL REGION PURCHASING COUNCIL  
INVITATION TO BID FOR CATCH BASIN CLEANING SERVICES  
CRPC #666**

contractor shall be delayed in completing work in any town by or on account of an act of omission by the town, or as a result of strikes or other causes beyond the control of the contractor, the latter shall be entitled to a reasonable extension of time to be determined by the highway superintendent or their designee. Such request for an extension must be submitted in writing.

**Equipment breakdown shall not be considered a valid cause for a time extension request. The contractor shall be expected to have available backup equipment.**

5. **List of Basins to be Cleaned**

A list of basins to be cleaned with their locations shall be supplied to the contractor by the respective highway superintendent when the work is started, and the contractor cannot be paid for cleaning basins other than those designated.

6. **Experience**

Each respondent is required to submit satisfactory evidence as part of their bid proposal demonstrating their experience cleaning catch basins. Accordingly, a list of at least four (4) municipalities where this type of work has been performed during the past two (2) years shall be furnished, including contact persons and phone numbers. (See the attached Information Sheet.)

7. **Equipment**

All cleaning machines must be a **1990** model or newer and shall be capable of efficient, reliable operation. All contractors shall be expected to have and make available extension equipment on an as-needed basis in order to properly clean deeper basins.

Actual operation of equipment may need to be witnessed/verified by a highway superintendent, on request, prior to awarding a contract. The equipment owned by the contractor will be indicated on the bid, in the space provided, together with the equipment available by lease. (See the attached Information Sheet.)

8. **Traffic**

Work is to be accomplished with the least inconvenience to the general public, with due regard to traffic safety.

9. **Basis for Payment**

The contractor will report to the highway superintendent the number of catch basins cleaned and the number of hours worked each day. These reports shall be due at the end of each week during which work has been performed.

10. **Pricing Structure**

All prices submitted shall apply throughout the term of the contract, and shall be deemed all-inclusive (i.e. include fuel costs, etc.). The Capitol Region Purchasing Council strictly prohibits the unilateral imposition of additional surcharges on the participating communities at any point during the contract period.

**CAPITOL REGION PURCHASING COUNCIL  
INVITATION TO BID FOR CATCH BASIN CLEANING SERVICES  
CRPC #666**

Prices Per Basin

Vendors must submit a bid on a per basin basis. It shall be understood that this unit price will apply to all types of basins cleaned under resulting contracts (e.g. shallow, extra deep, double covered, etc).

Hourly Prices

Additional bids, on a per hour basis, are also requested. Such hourly rates may be used by each awarding community for occasional random or emergency cleaning requests covering a small number of basins, or to cover other related cleaning projects, including, but not limited to, vaults, sediment basins, and d walls.

The hourly prices quoted on the Bid Form shall also apply, on an as needed basis, to hauling services provided should towns require that their catch basin debris be dumped at an out-of-town location.

11. **Inclusion of Non-Participating Towns**

It will be expected that vendors will allow any Capitol Region town to participate under the terms of this bid even if such towns are not listed among the participants in the Invitation to Bid. However, vendors will be expected to honor their per hour bid for such additions and will not be held to their bid per basin.

12. **Alternate Bid - Optional**

If available, vendors are asked to submit an alternate bid, on a per hour basis, for renting catch basin cleaning equipment without an operator. Individual pieces of equipment that can be used by town staff must be specified on the Information Sheet attached.

13. **Continuity of Work**

**The primary purpose of this invitation is to cover the usual annual or semi-annual cleaning programs in each of the towns.** It is expected that once work has started, the vendor will provide relatively continuous service until completion of the project.

14. **Terms of Contracts**

Contracts resulting from this Bid Invitation shall apply to work done prior to January 1, 2018. Moreover, if mutually agreeable to all involved parties, the term of resulting contracts may be extended for up to two additional years.

15. **Future Bid Invitations**

Future bid invitations may not be sent to vendors who do not bid on this invitation, unless they specifically request that their names be continued on the invitation list.
