

## Region 3 ESF-8 Healthcare Coalition Meeting 9/6/17

MRC- Group is interested in being more engaged in the "You Are the Help Till Help Arrives" campaign. Monthly meeting and training is tonight. A reminder of the IAEM program in Nashua, NH on 9/29/17.

MMRS- Healthcare Coalition pieces are coming together. Sent out 26 budget packages which were all received and returned to DPH. A majority of the contracts are in place. 30 days after contract, we need to have Public Health and Hospital Work plans in place. By June 2018 we need to have completed the Hospital Surge exercise.

PH- Normal monthly meeting is on Friday. Working on figuring out HCC deliverables and what will be the focus for public health. Working on updating Resource Typing and Inventory List for Public Health. PPHR process is underway. This started five (5) years ago and all 5 regions participated. Unsure at this time what the other regions will be doing, however Region 3 LHD's committed to re-recognition.

LTC- no rep

EMS/CMED- no rep

Hospitals- Jim P reports that recently Bridgeport Hospital conducted an active shooter drill that was a step above any other full scale exercise that they had performed in the system previously. Included approximately 150 staff and tested both ALICE and Run Hide Fight concepts of operation. There was a local Law Enforcement integration as well. Dave Kosciuk reminded the group about the regions capability with ALICE instruction.

BH- Recently conducted two trainings attended by 23 people and focusing on targeted recruitment for DCF providers.
