**Subject:** LOTCIP 2020 Solicitation – Preliminary Schedule

---

CRCOG staff met with CTDOT staff in September to discuss the status of LOTCIP funding. CTDOT is expected to request an additional \$18 million in bond allocation for CRCOG LOTCIP projects at a State Bond Commission meeting anticipated in November. Also, CTDOT's budget request to the State Legislature included \$18.76 million in SFY 2020 and \$18.76 million in SFY 2021 for CRCOG LOTCIP projects. If these bonding and funding levels are approved, CRCOG plans to proceed with a solicitation for additional LOTCIP projects.

The following preliminary schedule for solicitation, ranking, and selection of new LOTCIP projects; is offered for discussion.
