

Region 3 ESF-8 Healthcare Coalition Meeting 11/1/2017

The meeting opened with a presentation by the CT Judicial Branch, Office of Victim Services.

MRC- Group continues to work on "You Are the Help till Help Arrives" campaign. Congratulations to the MRC for their work at the Collinsville Parade, lots of positive feedback were received on the operation. Challenge awards from NACCHO are open for MRC's to apply for. Katherine McCormack has been representing the MRC at the Reception Area for evacuees from PR at Bradley International Airport.

Middletown MRC reports continued efforts around recruitment. Recently held refresher training on Shelter operations. They have had several activations for various community events. Working on Physician orders and procedures.

MMRS- HCC awardees should have received HVA templates. If you are having issues with the form, please notify Carmine.

PH- PSA – Get your Flu Shot! The section is continuing work on the PPHR application.

LTC- no rep

EMS/CMED- no rep

Hospitals- no report

BH- DBHRN also participating at the Bradley Airport reception area. Members from the Capitol Region team have been used. Looking to determine if there is a role for DBHRN and substance abuse providers in the Opiate Crisis.

DEMHS- Coordinating weekly calls regarding the evacuee's from PR. Web EOC courses coming up, please check the website. Last three days have been dealing with storm related issues.

DPH- The Radiation Professional Hands on Training will be taking place next week. MCI Trailers across the state are in need of replacement stock, working on that.

Dave Kosciuk spoke about a recent Homecare and Hospice Association meeting regarding Emergency Preparedness. There is a need for integration with local Public Health and local EMD into this area.
