

Executive Summary**Section 1 Introduction**

1.1	Study Area	1-2
1.2	Study Team.....	1-3
1.3	Study Process.....	1-4
1.4	Local Coordination and Public Outreach.....	1-5
1.4.1	Project Committees	1-6
1.4.2	Summary of Outreach Activities	1-8
1.4.3	Outreach Initiatives	1-8
1.4.4	Project Website.....	1-9

Section 2 Assessment of Existing Conditions

2.1	Roadway Characteristics	2-1
2.1.1	Cromwell Avenue (Route 3)	2-1
2.1.2	West Street (SSR 411).....	2-2
2.1.3	Brook Street	2-3
2.2	Intersection Traffic Control	2-3
2.3	Traffic Volumes	2-5
2.3.1	Historical Traffic Conditions	2-5
2.3.2	Heavy Vehicle Traffic	2-9
2.3.3	2010 Existing Morning and Afternoon Traffic Volumes	2-10
2.4	Travel Speeds.....	2-11
2.4.1	Travel Time Study	2-12
2.4.2	Cromwell Avenue	2-13
2.4.3	West Street	2-15
2.5	Traffic Operations.....	2-19
2.5.1	Cromwell Avenue Peak Hour Traffic Conditions.....	2-20
2.5.2	West Street Peak Hour Traffic Conditions	2-20
2.5.3	Brook Street Peak Hour Traffic Conditions	2-21
2.6	Traffic Safety	2-22
2.6.1	Cromwell Avenue	2-22
2.6.2	West Street	2-24
2.7	Access Management	2-25
2.7.1	Cromwell Avenue	2-26
2.7.2	West Street	2-27
2.7.3	Brook Street	2-28
2.8	Alternative Transportation Modes	2-29
2.8.1	Pedestrians and Sidewalk Infrastructure.....	2-29
2.8.2	Bicycle Facilities	2-30
2.8.3	CT Transit Bus Services.....	2-30
2.9	Transportation System Condition.....	2-31

- 2.9.1 Cromwell Avenue 2-31
- 2.9.2 West Street 2-32
- 2.9.3 Brook Street 2-33
- 2.10 Existing Land Use and Economic Trends 2-33
 - 2.10.1 Demographics..... 2-33
 - 2.10.2 Plan of Conservation and Development 2-34
 - 2.10.3 Town of Rocky Hill Zoning 2-36
 - 2.10.4 Land Use 2-40
 - 2.10.5 Industrial Real Estate Market 2-42
 - 2.10.6 Office Real Estate Market 2-44
 - 2.10.7 Retail Real Estate Market 2-47
- 2.11 Environmental and Natural Resources 2-48
 - 2.11.1 Surface Water Resources 2-48
 - 2.11.2 Groundwater Resources 2-48
 - 2.11.3 Wetlands..... 2-49
 - 2.11.4 Floodplains and Stream Channel Encroachment Lines 2-49
 - 2.11.5 Threatened and Endangered Species and Critical Habitats 2-50
 - 2.11.6 Historic Register Properties..... 2-50
 - 2.11.7 Section 4(f) and 6(f) Properties..... 2-50
 - 2.11.8 Sensitive Noise Receivers 2-51
 - 2.11.9 Hazardous Risk Sites 2-51

Section 3 Assessment of Future Conditions

- 3.1 Potential Future Development 3-1
- 3.2 2030 Traffic Volume Forecasts 3-4
- 3.3 Future Traffic Analysis 3-8
 - 3.3.1 Traffic Analysis Methodology..... 3-8
 - 3.3.2 2030 Future Traffic Operations..... 3-9
 - 3.3.3 Future Areas of Concern..... 3-11

Section 4 Recommendations

- 4.1 Summary of Recommendations..... 4-1
 - 4.1.1 Cromwell Avenue (Route 3) Recommendations 4-2
 - 4.1.2 West Street (SR 411) Recommendations..... 4-13
 - 4.1.3 Brook Street Recommendations 4-17
 - 4.1.4 Recommendation for Future Local Roadway..... 4-20
 - 4.1.5 Rhodes Road Area Recommendations 4-22
 - 4.1.6 Recommendations for Alternative Modes of Travel..... 4-23

Section 5 Implementation Plan

- 5.1 Transportation Improvement Program 5-1
 - 5.1.1 Project Categorization..... 5-1

5.1.2 Project Prioritization5-3

5.1.3 Recommended Projects Summary5-3

5.1.4 Implementation Plan Summary5-11

5.2 Project Implementation.....5-12

5.2.1 Project Initiation and Funding5-12

5.2.2 Design and Construction5-13
