

Save the Date for...

THE ANNUAL CRCOG BIKE/PED COUNT!!

Tuesday, Sept. 13 – Sunday, Sept. 18th

**Consider Becoming a Count Volunteer!
Count locations and sign-up coming soon!**

We rely on volunteers for this important program and appreciate all of the volunteer efforts that have gone into the regional count over the last six years. The data we collect not only documents general trends in activity, but also serve as support to fund projects to benefit bicyclists and pedestrians in the future.

Please direct any questions you have to Mike Cipriano, mcipriano@crcog.org and be on the lookout for locations and sign-up information coming soon!
