

**CAPITOL REGION COUNCIL OF GOVERNMENTS
REQUEST FOR QUALIFICATIONS
FOR STRUCTURAL ENGINEERING SERVICES**

ADDENDUM #2

1. What are the CRCOG Affirmative Action and Equal Opportunity Practices?

Answer: CRCOG will not be making awards or hiring any structural engineers as a result of this RFQ, so our affirmative action and equal opportunity practices are not relevant. The purpose of this Request for Qualifications is to develop a list of qualified vendors for homeowners with crumbling foundations to use should they want to start the process of repairing their foundation.
