Call the meeting to order
Chair Dan Vindigni chaired the meeting, called it to order at 9:30 a.m., and led the pledge of allegiance.

Adoption of the Minutes
John Shaw, seconded by Brian Rykowski, made a motion to accept the minutes of the January 21, 2010 meeting.

Chair Vindigni reminded everyone of the RCC Dedication this afternoon, and noted that the completion of this project is a major accomplishment for the region.

Chris Baker, ARC, reported that the South Church now has an AED. He also distributed a flyer describing the ARCs program to assist businesses in becoming “Red Cross Ready.”

Region III Coordinator Report
Tom Gavaghan acknowledged the CERT teams for their assistance in providing support to first responders at the Middletown incident site earlier this month. He announced upcoming training, including WebEOC 2/25; EOC Operations course 2/23 – 2/26; COOP Overview 2/23 at Rentschuler Field, to be followed by a COOP 2-day training course (TBA); HSEEP training 2/25, 3/4, and 3/11; and a senior officials workshop on 5/11 in East Hartford.

Unfinished Business / Updates
FY 08 Proposed Spending Plan: In the absence of Cheryl Assis, Carmine Centralla gave a brief presentation on the proposed FY 08 Homeland Security Grant Program spending plan. He noted that the total grant available to the Region is $146,000 less than for FY 07, and that most projects included represent continuations of current programs. He also noted those projects that had been in the 07 plan but are not included in this proposed plan for 08, and those projects that are new for 08. Bill Austin, seconded by Peter Vernesoni, made a motion to accept the FY 08 Spending Plan as presented. There was no discussion. So voted.

Carmine also read the names of the towns who have not yet submitted their MOUs that are needed for CRCOG to be able to receive these grant funds. He urged those present to encourage their CEOs to submit these as soon as possible.

Dan Scace noted recently completed and upcoming training opportunities, and reminded the group of the Training and Exercise Planning Workshop, scheduled for February 26, 9:00 a.m. – 3:00 p.m., and encourage participation. He described some of the training programs that might be candidates for inclusion in the 3-year plan that will be developed at this workshop. He also noted that training and equipment for the IMT, which played an important role in the Middletown event, was funded through CREPCs earlier Homeland Security spending plans, and that the state has also supported this effort by providing an additional $30,000 for position specific training and an additional $75,000 in training and exercise funds. He is also working on developing the Investment Justifications for the UASI 2010 application.

Regional Planning Activities – Carmine Centralla
