OFFICIALLY REPORTED TO DATE

567

ESTIMATED NUMBER OF HOMES (8 TOWNS): 3,975

REPLACEMENT COST ESTIMATES \$664,074,000

*All estimates based solely on the towns reflected in the chart. Does not include all affected municipalities

ESTIMATED TAXES WAIVED (15 YEARS)
\$70,906,514

ESTIMATED BUILDING FEE WAIVERS (15 YEARS)
\$7,329,500

Model assumptions:

* Does not include additions, stand-alone garages, or other structures

** Assumes funding is announced to begin in 2018 and that all affected homes will eventually get reassessed

*** Foundation replacement will be over a long period due to contractor availability, homeowner ability to pay, and time differentials in discovery of the problem

^Official Reported numbers are compiled from DCP, CT Department of Insurance and individual municipalities and assumes overlap across all data
