Wednesday, April 26, 2017

Capitol Region Council of Governments
241 Main Street, 4th Floor
Hartford, CT 06106

Re: Resignation

I have had the honor of serving as the First Selectman for over seven years. This led to my involvement with the Capitol Region Council of Governments. I have enjoyed the challenges, the projects, and most of all working together to make Somers and the region a better place. We've made remarkable progress. I can't help but feel a tremendous sense of pride at what we have done together.

That being said, I have an amazing opportunity to expand and thrive by assisting another community. I will be stepping down as First Selectman on May 1st to embark on a new adventure. This will also mean I am stepping down as secretary of the Policy Board and co-chair of the Ad Hoc Crumbling Foundations Committee.

It has been a privilege to serve and I wish continued success for the region.

All My Best,

Lisa Pellegrini
