7	STP - Anywhere	0174-0418	Various	District 4	Replace Traffic Control Signals at 12 Locations	PD	2017	495	495	0	0	New Project

Due to the urgency of programming projects, some additional projects may be added prior to the meeting.

Note: The terms "AC Entry" and "AC Conversion" are referenced for projects 2a and 2b above. AC stands for Advance Construction and is a phrase used to describe a financing procedure in which a project is advertised for construction bids late in one year (noted as AC Entry) but the actual funding commitment occurs in the following fiscal year (noted as AC Conversion). Thus, these projects are typically listed for both years with "0" funding shown in the first year of advertisement, and the full funding shown in the second year or years of funding obligation. In some cases, a portion of the AC conversion can occur in the year of the AC Entry, with additional funding occurring in the following year or years.
