

Capitol Region Council of Governments Public Participation Plan Update

Please Join Us!

You are invited to attend one of the upcoming public meetings to talk about how the Capitol Region Council of Governments (CRCOG) involves members of the public in planning efforts for the Hartford metropolitan area.

The Public Participation Plan describes CRCOG's goals, policies, and procedures to ensure that all members of the public have access to information and opportunities to participate in the transportation planning process for the Hartford metropolitan area. CRCOG's Public Participation Plan was last updated in 2007, and this new plan will incorporate current practices and federal requirements.

These meetings are an opportunity for you to learn about the plan, ask questions, and provide feedback. Each meeting will include a brief presentation at 5:30 PM. Study team members will be available before and after the presentation to discuss the Plan and answer questions.
