

Date: June 26,2007
 Time: 1000 Hours
 Location: Ambulance Service of Manchester

CREPC: ESF-8
 EMS Section

Meeting Facilitator: D.Koscuk

Topic	Presenter	Discussion	Conclusions	Action Items
CMED Case Review	Squires	Tabled		
ESF-8 Hospital Drill	Koscuk	Reviewed the scope of the exercise for the new members of the group. Discussed some of the lessons learned		Koscuk to share AAR when complete
Project Teams	Koscuk	Reviewed the current projects with new members. As attendance was minimal, this item will be tabled until next month.		Project team assignments at next months meeting.
Regional EMS Training Program	Koscuk	Updated the group as to the status of the Regional Training Program	FYI only	
SMART System Trainer Inventory	Koscuk	A good turnout at the Region 3 T-t-T session. Trainers have not received training curriculum.		Koscuk to follow up with Kevin Brown to determine status
CREPC Update	Koscuk	Meeting minutes from CREPC June meeting were distributed	This is the last time printed copies will be shared. They are available on-line.	
Informational Sharing	MacDonald	Graham thought it would be helpful to have these meetings videoed and put online to share with those who could not make it - especially volunteer groups.	Graham is willing to look into this further. Additional discussions about getting a secure page on the CRCOG website to host these videos and other documents was had	Koscuk to check with CRCOG as to the feasibility of hosting this service.
Attendance:
