

To: CRCOG Policy Board
From: Rob Aloise, Director of Transportation Planning
Date: December 11, 2018
c: Tim Malone, Principal Planner
Subject: Long-Range Transportation Plan (LRTP) Survey

CRCOG staff are in the process of updating the region's Long-Range Transportation Plan in accordance with federal regulations. This plan takes a strategic look at the long-term development of the region's transportation system, with a time horizon of 2045. As part of that process we would like to get input from a broad range of stakeholders, including the members of this committee. To facilitate this, we have developed an online survey to solicit input.

The link to the survey is here: https://www.surveymonkey.com/r/CRCOG_LRTP

The plan update's website is located here: <http://www.crcogconnect2045.com>

We would also like to extend an invitation call or email us with any questions, concerns, or input. We would appreciate any input you can give us. Tim Malone's contact information is below.
