What better way to spend the second-to-last evening of National Bike Week and the last full-day of the Capitol Region Complete Streets Open Planning Studio than with three nationally recognized experts. Come hear presentations promoting **active transportation through education, engineering and encouragement by...**

Alison Dewey,
Education Director
League of American Bicyclists

Ian Lockwood, Transportation Engineer
Toole Design Group

Mike Lydon, Principal
The Street Plans Collaborative

We hope to see you there!
