On-Call Lists 1-Design and List 2-Construction

The firms on Lists 1 and 2 are available to CRCOG municipalities to contract with for Local Transportation Capital improvement Program projects. The Request for Qualifications (RFQ) issued December 13, 2018 indicated that consultants would remain on the lists for 36 months, which was determined to constitute a June 1, 2019 to May 31, 2022 timeframe. The hourly fee schedules for each consultant were reviewed by CRCOG for conformance with Section 6 of the RFQ which specifies the guidelines for overhead rates, profit, and annual pay rate escalation. CRCOG reviewed the consultant rates for conformance with Section 6 of the RFQ, and the Fee Schedules, for all selected consultants have been approved as listed below, and available to Towns upon request.
