New Business

The result of the meeting was that each Region will receive an additional $75,000 in funds. In addition, our region will receive $20,000 for the Bomb Squad and $5,000 for HAZMAT team. It was the consensus of the group to divide the $75,000 equally between the three 2016 budget line items: Training and Exercise, Sustainment/Maintenance of Regional Equipment and Contractual Services for planning and project support. If you are an ESF Chair and need grant purchased equipment replaced or maintained please contact Cheryl as soon as possible.
