THE FUTURE OF TRANSPORTATION

MODERNIZING MOBILITY: THE RISKS AND REWARDS

Wednesday, November 6, 2019

9:00am – 12:00pm

Goodwin College Auditorium

211 Riverside Drive

East Hartford, CT 06118

The Public Education Speaker Series on Self-Driving Vehicles

AAA and the University of Connecticut's Transportation Safety Research Center (CTSRC) invite you to attend this **FREE** educational speaker series, mapping our transition to autonomous vehicles. Join us as we explore the risks and rewards of new technology and envision a future with greater mobility for all.
