AGENDA

Items

1. Roll Call
2. Public Forum
3. Adoption of Minutes
 - TIM Coalition Meeting March 26, 2019 **Action**
4. Discussion Item- Incident Accessibility
 - Issue "...the ability to get to/access an incident scene. Most heavy-duty wreckers cannot operate in breakdown lanes due to size, even a light duty flatbed has issues in that lane. Would there be a way to develop a plan for alternate access to an incident when the traffic buildup prevents timely access? If the roadway is backed up is there a possibility of road closure to allow response vehicles to reach the scene? By Mr. Lee Telke Towing & Recovery
5. Presentation and Demonstration of Drone Technology for Accident Reconstruction held in CRCOG visitor parking lot.
Presenter- Sgt. Scott Leonard, Collision Analysis and Reconstruction Squad (C.A.R.S.)
5. Adjourn
