

We invite you to participate in a MetroHartford Brownfields Advisory Committee meeting being held from **1 p.m. to 3 p.m. on Thursday, October 3rd** at the CRCOG Offices, 241 Main Street, 3rd Floor Board Room, Hartford, CT.

CRCOG's [MetroHartford Brownfields Program](#) has helped member communities in dealing with blighted, contaminated sites since 2004. Over the years we have secured state and federal funding which has allowed us to conduct 68 environmental assessments on 40 sites in 12 communities as well as provide loans and subgrants for cleanup on four contaminated sites. These efforts have helped spur redevelopment throughout the region.

We need your input to help keep our program strong and relevant to your needs. Come join us for an update on current program activities and a discussion of next steps.

The agenda for the meeting will be:

1. Welcome & Introductions
2. Overview of the MetroHartford Brownfields Program
3. Status Report on Revolving Loan Fund Program
4. Discussion of Potential for New Projects: RLF program and EPA Assessment Grant Application
5. Other Business.
