Complete Streets Information Exchange

A Virtual Conference
Sponsored by CT
Department of
Transportation and
UCONN CT T2 Center

[Register Here](#)

OCTOBER 28 - 29, 2020
8:00 am - 12:30 pm each day

AGENDA HIGHLIGHTS

- Complete Streets and sustainability
- Economic and community impacts of Complete Streets
- Complete Streets for safety
- Tips for navigating Complete Streets projects
- Nuts and bolts of Complete Streets design
- Rural/suburban/urban success stories and lessons learned

Two-day forum for municipal and COG personnel. Join us for panel and roundtable discussions, interactive technical presentations, and case studies.

As different content will be presented each day, two-day attendance is recommended.

AICP credits offered for all sessions.
