

**To:** CRCOG Policy Board  
**From:** Rob Aloise, Director of Transportation Planning  
**Date:** January 15, 2020  
**Subject:** Draft 2020 LOTCIP Project Selection Policy

---

As it relates to the Local Transportation Capital Improvement Program (LOTICIP), we will be looking for Policy Board endorsement of the draft 2020 CRCOG Project Selection Policy. The policy was approved by the Transportation Committee on January 13, 2020 in anticipation of an upcoming solicitation for project proposals. The policy has since been amended with the inclusion of Item No. 15 on page 5 in anticipation of the approval of CRCOG's Complete Streets Policy.

This Project Selection Policy describes the process for selecting new projects for LOTICIP funding within the CRCOG region. In this upcoming solicitation, staff proposes selecting approximately \$35,500,000 in LOTICIP projects, which approximates the amount anticipated to be budgeted for the CRCOG Region by the State over the next 2 years.

This solicitation assumes the continuation of current LOTICIP funding levels. However, due to currently unresolved State transportation funding issues, this amount has not yet been budgeted. **Therefore, at this time, selection under this solicitation does not guarantee funding.**

**Schedule**

The following schedule is anticipated for project selection:

January 28, 2020	Letter to municipalities issued for 2020 LOTICIP Solicitation
April 22, 2020	Municipal project application proposals due to CRCOG
June 2020	CRCOG Cost Subcommittee reviews project rankings
September 2020	CRCOG TC & Policy Board endorse project rankings
After September 2020	CRCOG & municipalities submit final applications to CTDOT

**Project Categories**

The Project Selection Policy includes the following categories:

Reconstruction Projects	\$24,700,000
Pavement Rehabilitation and Stand-Alone Sidewalk Projects	\$5,400,000
Bicycle and Pedestrian Projects	\$1,800,000
Projects in Rural Communities	\$3,600,000
<b>Total</b>	<b>\$35,500,000</b>

**The Transportation Committee recommends CRCOG Policy Board's approval of the January 2020 LOTICIP Project Selection Policy.** For more details, a draft of the policy is available online here: <https://crcog.org/wp-content/uploads/2020/01/2020-LOCTIP-Project-Selection-Policy-DRAFT-.pdf>
