

Questions for discussion regarding COVID-19 Response

1. How is your town handling staffing / scheduling across in general, but specifically in critical areas, like DPW?
2. Have you instituted furloughs or layoffs? If yes, what dept. and for how long are furlough periods?
3. Have you conducted a public meeting? Issues? What has been challenging? Things you would do differently or that you would recommend worked well? (anyone experience zoombombing?)
4. Budget impacts – what budget impacts are you anticipating and how are you mitigating for this? Has your town selected 1 or both of the local tax relief measures per Exec Ord 7 S? If yes which ones?
5. ICMA had a webinar on preparing for the recovery, do we want to discuss what we can do as a region as well as within our individual towns?
 - a. Public spaces / how to reopen to be safer and prepare for the 2nd wave
 - b. Opening or re-opening town hall – how to make social distancing changes so that they are more permanent (or semi-permanent)
 - c. Festivals / large gatherings / town events?
