5. What's New in My Town

Individuals used this time to update the committee on news in their town:

- Transport Hartford/Center for Latino Progress
 - Created an interactive crash data map
 - Upcoming Governor's Council on Climate Change transportation breakout group meeting on September 23
 - October 1 forum on equity and transportation
 - Northeast Multi-modal Transportation Summit will be held on November 23
 - Holding an online walk/bike audit webinar November 17
 - November 21 tour of tactical urbanism projects in New Haven
 - BiCiCo bikes for jobs program is still going
- East Coast Greenway and East Hartford
 - Goodwin opened a new building at Ensign Street. The street went from being unlined to a double yellow center line. There was a discussion about why this is problematic.
- Andover
 - The Town is focused on the East Coast Greenway
 - Putting in new aprons where town roads cross the trail
 - Using a speed monitoring camera in the Lake District
- Manchester
 - LOTCIP application was approved
 - Created a trail connection from Case Mountain parking lot to the trail
 - Looking at installing RRFBs
 - Road by road analysis of bike lane suitability
 - Developing a bike master plan
 - Using existing paving projects to install bike lanes
 - Tim asked if the town would be willing to give a presentation on the road by road analysis in the future
 - Chris Squires asked about ownership of the last portion of the Cheney Trail. John DiBiasi answered that there are ongoing deliberations between CTDOT and the railroad.
- Wethersfield
 - Adopted a complete streets policy in the summer
 - Conducted a follow-up workshop with town staff, boards, and commissions to discuss implementing the policy
 - LOTCIP project for trail improvements along Great Meadow Road.
 - Wrapping up a bike and pedestrian plan
- Southington
 - DOT acquiring key property up to Town Line Road for the Farmington Canal Heritage Trail
 - Shovels should be in the ground in 2021
- Hartford
 - Close to finishing a complete streets plan
 - Addresses traffic signal design and crosswalk design

- Looking at Vision Zero as a policy
- Extension of River Walk is proceeding more slowly than anticipated. Out to bid in two years.
- Received grant money for south branch of the park river. Will be out with a RFP for a designer soon. Will extend the trail to Newfield.
- Using the paving plan to add bike lanes
- Installed temporary speed bumps on Flatbush Avenue
- Speeding is a big problem with numerous recent incidents
- Have become convinced that the city needs to have road features that prevent speeding
- Bolton
 - Working on a Community Connectivity Grant to connect the elementary school to the town hall area down Bolton Center Road.
