

COVID-19

Long-Term Recovery Committee:		
None	In Process	Established
5	7	6
<i>*NOTE: currently, only 3 of the 18 towns we received responses from do not have a Long-Term Coordinator but will be appointing someone.</i>		
<p>Areas in Need of Assistance, Helpful Suggestions, and Other Thoughts:</p> <ul style="list-style-type: none">• What are other towns in the region are doing? Templates, etc. from other communities.• What are some 'best practices'?• Provide a summary of programs and contact information for said programs.• Continue to share information between state and local agencies.• Schedule calendar between now and full operation of businesses.• Finding skilled volunteers.• Bridging gap for those temporarily in need of assistance.• Find ways to address increase in domestic violence and mental health issues.• More action, less bureaucracy.• Anticipated financial support will be needed for local non-profits and organizations.• Majority of Long-term recovery Framework from FEMA and the STATE are designed for Hurricane/storm recovery. It is not clear yet what the Committee or Coordinator can do; need ideas as what towns can do. <p><i>**Several towns are still in the discussion phase with no known assistance needs, currently.</i></p>
