Re: Greenskies Clean Energy, LLC Petition for Declaratory Ruling for a Solar Project to Be Located in East Windsor, Connecticut

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Greenskies Clean Energy, LLC intends to file a petition for declaratory ruling with the Council on or shortly after June 19, 2020. This petition will request the Council's approval of the location and construction of three (3) 1.6 megawatt alternating current ground-mounted solar photovoltaic systems on one parcel of land in the Town of East Windsor, Connecticut ("the Project").

The Project is located in the southeastern portion of East Windsor, on the west side of Barber Hill Road. The Project will be on a portion of the Mulnite Farm, consisting of one parcel located at Rockville Road, at its intersection with Barber Hill Road. The Project will comprise approximately twenty-four (24) acres of the thirty-nine (39) acre parcel.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of East Windsor. You can also access a copy of the Petition at the Council's website: www.ct.gov/csc. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Lee D. Hoffman

Attorney for Greenskies Clean Energy, LLC
