Regional Recovery Steering Committees (RESF # 14)

Next Steps for DEMHS Regional Coordinators:

1. Engage with key regional contacts and State-level ESF-14 to compile list of 10 stakeholders with broadest possible representation to serve on the RRSC.
2. Share and vet proposed RRSC members through State-level ESF-14.
3. Following approval, facilitate RRSC collaborative decision-making on structure of Recovery Support Function (RSF) Working Groups using Disaster Recovery Framework and build contact list of potential members.
4. Survey Municipalities/Tribal Nations on contact information for Local Recovery Managers.
