Transportation

- Staff prepared and presented LOTCIP Project Delivery Metrics, including strategies for improving the LOTCIP project delivery. Staff solicited committee comments and will work with CTDOT to implement suggested strategies. Staff's memo can be accessed on the November TC meeting webpage or via the following link: https://crcog.org/wp-content/uploads/2020/11/LOTCIP-Project-Delivery-Memo.pdf
- Congestion Management Process Updated Report – Staff has completed and posted an updated report that utilizes the latest available (2019) traffic and congestion data. The Report can be accessed via the CRCOG website or the following link: https://crcog.org/wp-content/uploads/2020/11/CMP-2020-Final-Report.pdf
