

CRCOG COVID-19 for Municipalities Resources and Current Work

Summary

- [Purchasing Resources](#)
- [Regional Long Term Recovery Committee](#)
- [COVID-19 for Municipalities Page](#)

Purchasing Resources

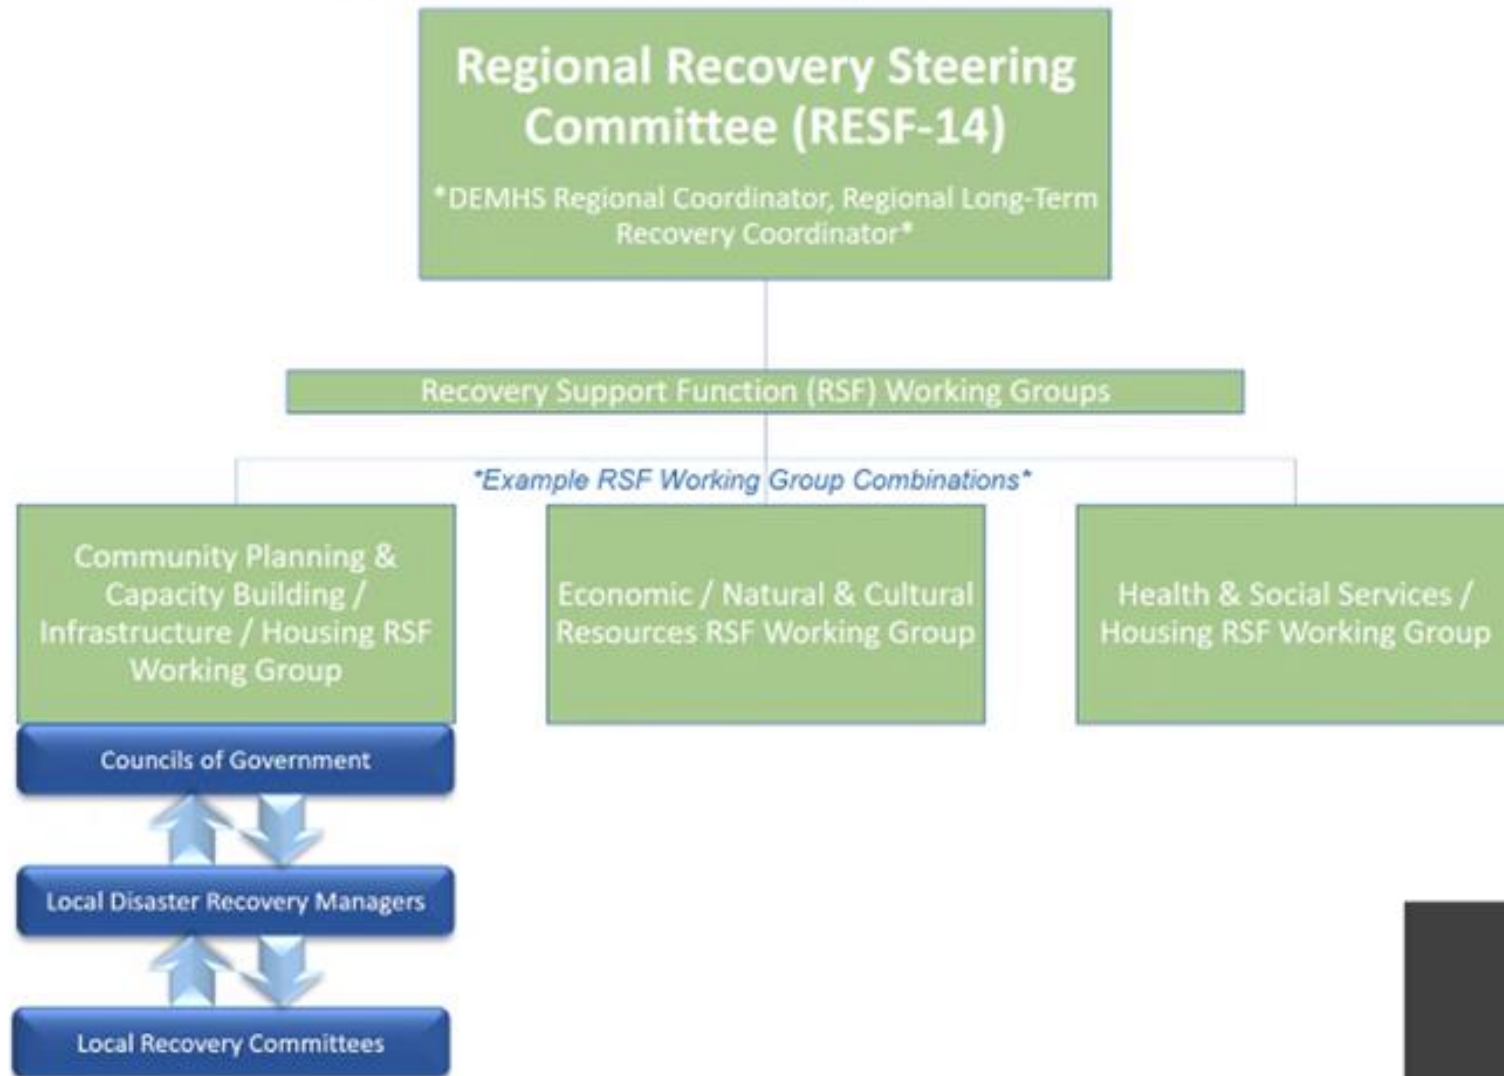

- Contract with Gordian Group for general construction which include installation of handwashing stations, plexiglass partitions, no-touch technologies (restroom equipment, hand sanitizers, etc.) and other building / office reopening needs
- Stated vetted list of PPE vendors
- IT assistance for remote work
- Online purchasing resources

Regional Long-Term Recovery Committee

- DEHMS has requested CRCOG (and other COGs) form long-term recovery committee
- This is a recovery committee planning that has been in place and is being adapted to fit the COVID-19 recovery needs
- Steering Committee and Working Groups are in the process of being formed and will work closely with local / municipal long term recovery committees.
- For smaller towns that don't have long term recovery committees, the regional committee will serve as the local committee

Regional Long-Term Recovery Committee

Regional Recovery Workflow

COVID-19 for Municipalities Page

- CRCOG has created a resource for municipalities that meet specific municipal needs regarding resources for COVID-19.
- The page includes the following:
 - Guidance memos from CCM/COST/COGs regarding executive orders and application of municipal related executive orders
 - Information for online Public Meetings
 - Purchasing Resources
 - Various Municipal Services
 - COVID-19 Dashboard (updates from DPH as presented by UCONN)
 - Other Helpful links
