Offering 116 undergraduate majors, 88 graduate & professional degrees

77%
Percent of our undergraduate students are from Connecticut

$5.3 billion
in annual statewide economic impact

February 28, 2020
Keeping Graduates in CT

- **Key fact**: Students take many paths to achieve success

- **Recommendation**: Support programs that expand CT-based options for all students and graduates

- **Programs should target 3 groups**:  
  1. Keep high school graduates in state via college  
  2. Keep college graduates in state via jobs  
  3. Attract out-of-state students to state
Students Take Many Paths to Success

*Workforce* includes Workforce, Military, Volunteer and Unemployed/Not In School. *Workforce with Deg...* refers to college graduates who entered the workforce.
High School Grads: ECE Credits

Early College Experience (ECE) creates incentive for CT high school students to start college career early.

UConn credits earned through UConn ECE have an **87% transfer rate** benefitting all Connecticut students, whether they come to UConn or not.

38% of students entering UConn Storrs campus for 2019 have completed ECE courses.

**High School Partners**
- 1,377 Certified UConn ECE Instructors
- 13,309 Participating Students
- 81,584 Credits Attempted
- 208 High Schools

**University Partners**
- 5 Schools & Colleges
- 32 Departments
- 72 Unique Courses
- **Full Academic Access** to UConn Libraries

89% Pass Rate with a C or higher

20% receive need-based waivers
High School Grads: Bridges & Transfers

**Summer Bridge Program**
- UConn annually hosts CT youth through summer programs during and after high school to help prepare for college success and graduation.

**Community College to UConn**
- **Guaranteed Admission Program (GAP)**
  - Assures CTCC students admission to over 70 majors at UConn, creating academic pathways and ensuring credit acceptance.
  - Guaranteed Admission Oversight Committee (GAOC) includes membership from UConn and each community college.
- **President to President Scholarship**
  - In 2017, a scholarship layer was added to GAP program.
  - $4,000/year for 2 years of study at UConn for GAP enrollee.
- **CT College of Technology Program**
  - Guarantees CTCC students admission to UConn School of Engineering.
  - Statewide agreement.

**UConn Rising Scholars**
- 158 Foster Youth served from 103 CT schools since 2013.
- 99% high school graduation rate.
- 93% college enrollment rate compared with just 7-13% of foster students nationwide.

**Notable Alumni**
- Francisco Borges, Chairman, Landmark Partners
- Franklin Chang Diaz, Astronaut
- Alex J. Martinez, Attorney
- Desi Nesmith, CT Deputy Commissioner of Education for Academics & Innovation
- Enid M Rey, CEO Our Piece of the Pie Inc.
UConn undergraduate enrollment has increased 63% in the last 24 years, but is beginning to plateau.

Out-of-State Students: Yes, Please!

Attracting out-of-state students to CT may be a critical part of replacing our declining numbers of youth.
Out-of-State Students: 1 out of 4 Stay in CT

One year after graduating from UConn, 68% of CT residents and 26% of non-CT residents remain in state to work.

- **CT residents**: 80% of graduates from all CT public colleges remain in state to work and earn $47,000, on average.
- **Non-CT residents**: 15% of graduates from all CT public colleges remain in state to work and earn $52,000, on average.
