

CRPC #697 • INVITATION TO BID CATCH BASIN CLEANING & DISPOSAL SERVICES

PUBLIC AMENDMENT #1: Opportunity Q&A Answers

Do I have to submit the “vendor quarterly report” as a part of my submission?

No. Per the terms and conditions, you are responsible for sending a check to CRCOG for 1% of all purchases and awards resulting from this bid on a quarterly basis. The quarterly report is a template for you to use in order to submit this fee should you receive an award. CRCOG will send a reminder notice quarterly to submit your fees. Please note that purchase orders will be audited.

How do I submit the bid table?

The bid table is available for download as a part of your submission (“Catch Basin Cleaning & Disposal Services BidTable”). The bid table must be filled out in the provided excel file and then uploaded as an excel file. Submissions will only be accepted through Bonfire, no other form of submission will be considered valid.
