

Policy and Planning

- Held interviews for a firm to provide Licensed Environmental Professional services for the regional brownfields program.
- Reviewed responses to our Active Living Active Transportation project solicitation and developed a prioritized list of projects for year 3 of our CDC-funded grant.
- Executed the contract with our consultant for the Active Living Active Transportation Project.
- Continued working with DECD on a revised grant application to the EDA.
- Received a Project Agreement Letter from CTDOT, allowing us to begin finalizing contracts for the Enfield Traffic Impacts Study.
