

## **Policy and Planning**

- Submitted a scope of work for a revised grant application to the EDA for CARES Act funding. The application is being submitted by DECD.
- Executed the consultant contract for the Enfield Traffic Impact Study.
- Negotiated a contract with a consultant for the Brownfields Assessment program.
- Held a planner “luncheon” on 2/18 with the region’s planners. The topic was affordable housing plans.
- Continued developing a scope of work for a regional Transit-Oriented Development study.
