

Policy and Planning

- J Received responses to our Request for Qualifications (RFQ) for the TOD Roles, Visions, Feasibility, and Financial Tools Study. Six responses were received.

- J Issued a RFQ for year 4 of the CDC-funded Active Transportation project.

- J Submitted an application for Community Project Funding to fund an update of the region's Natural Hazards Mitigation Plan.

- J Worked with the City of Hartford to launch an e-scooter program for the city on April 22.
