### **CRCOG Homeland Security & Grant Initiatives**

Work on the FY 19 SHSGP has commenced. All open grants include funds for training and exercise, contractual support and sustainment and maintenance of regional equipment. There are also set asides for the Hartford Bomb Squad, Capitol Region HAZMAT team and Metropolitan Medical Response System. Applications for the FY 21 SHSGP, MMRS and HAZMAT grants were recently approved by DEMHS.

Cheryl Assis recently attended the quarterly Regional Collaboration meeting hosted by DEMHS where our FY 21 budget was presented to the 4 other regions.

CRCOG Completed a virtual monitoring visit with DEMHS on the FY 18 grant and various equipment purchases.

The Statewide Homeland Security Working Group (Cheryl Assis is the COG representative) met to reallocate unspent FY 19 funds and it was determined that our region would receive an additional \$60,000 in funds. This will be split between Training/Exercise and Maintenance/Sustainment of Regional Equipment.

CRCOG staff had a kickoff meeting to initiate a complete After-Action Review of the region's response during the Covid pandemic. In addition, we will be required to complete one focused solely on local public health.

CRCOG public safety staff have been working with communities on vaccination planning efforts.

### **COVID-19 Support Activities**

The Regional Emergency Support Plan was activated on March 18th, 2020 and the Regional Coordination Center was recently deactivated. Coordination is being done by the ESF-5 (Emergency Management) and ESF-8 (Public Health and Medical Services) duty officers.

The Capitol Region Incident Management Team (CT-IMT3) has been activated and developed an Incident Action Plan (IAP) which is being reviewed by local public health leads and reissued weekly.

We are utilizing our Regional Distribution Site Standard Operating Guide. Our Regional Distribution Center in West Hartford was opened on March 25th and the three day a week operation ended at the end of August. The site is currently now open on an as needed basis and was utilized several times in February. The Capitol Region Incident Management Team is manning the site along with staff from the Town of West Hartford, National Guard, CRCOG and area CERT teams.

Finally, our Medical Reserve Corps remains a very valuable asset. They have current activations at St. Francis, Chatham Health District, Bristol-Burlington Health District, Town of Vernon and the City of Hartford Health Department with hundreds of Cr-MRC members volunteering their time in both medical and non-medical roles.
