

### **Transportation Committee:**

- The RAISE Discretionary Grant program is the latest iteration of TIGER and BUILD grants. \$1 billion is available from this program, with applications due on July 12, 2021. More information is available at: <https://www.transportation.gov/RAISEgrants>.
- Transportation Committee approved four LOTCIP funding increase/scope modification requests in Plainville, Suffield, Wethersfield, and Windsor.
- Transportation Committee reviewed FTA Transit Safety Performance Targets. These targets will be brought for action in May.
- Staff updated the Transportation Committee on the LOTCIP Quarterly Report, National Work Zone Awareness Week, and the Municipal Grant Program.
