

Municipal Services and Purchasing Council:

MSC met on May 18th and reviewed a mock-up of the jobs portal and have a resolution to proceed with the portal before Policy Board.

CCSWA and interested MSC members will form a subgroup of sorts and work on a matrix composed of local, state, regional infrastructure with short term, medium term, long term goals. Mike Bisi, Chair of CCSWA will lead the group with help from MSC staff.

Treated Road Salt will be issued on June 8th. Please note, this is a bid that towns must submit quantities, as piggybacking is not allowed.
