Independent Auditors’ Report

To the Audit Committee of the
Capitol Region Council of Governments
Hartford, Connecticut

We have audited the schedule of indirect costs of Capitol Region Council of Governments (CRCOG) for the year ended June 30, 2020. This schedule is the responsibility of CRCOG’s management. Our responsibility is to express an opinion on this schedule based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedule. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying schedule was prepared on a basis of accounting practices prescribed by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), as discussed in Note 2, and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the schedule referred to above presents fairly, in all material respects, the direct labor, fringe benefits and general overhead of CRCOG for the year June 30, 2020 on the basis of accounting described in Note 2.

In accordance with Government Auditing Standards, we have also issued a report dated December 6, 2020 on our consideration of CRCOG’s internal control over financial reporting and its compliance with laws and regulations.

This report is intended for the information and use of the Audit Committee and management of CRCOG and the State of Connecticut Department of Transportation and is not intended to be and should not be used by anyone other than these specified parties.
