

Agenda Item Summary

To: Policy Board Members

From: Cheryl Assis, Director of Public Safety

CC: Matthew Hart, CRCOG Executive Director

Meeting Date: September 28, 2022

Subject: Resolution Authorizing CRCOG Executive Director to Submit a Spending Plan and Enter into Memorandum of Agreements in Regard to the FY 2022 Federal Homeland Security Grant Funding for DEMHS Region 3

Background: CRCOG has been the fiduciary agent for DEMHS Region 3 since the FY 2004 State Homeland Security Grant Program funds were released. Our Public Safety Director is a member of the Statewide Homeland Security Advisory Council and the Statewide Homeland Security Working Group. These bodies set the funding amounts for each region. The Capitol Region Planning Committee is responsible for determining a spending plan for each funding year. Each member community then signs a MOA by and between the community, the CT Division of Emergency Management and Homeland Security, CRCOG and the Capitol Region Emergency Planning Council.

Benefit to Member Towns/CRCOG: This funding will serve to support our regional public safety teams, to sustain and maintain regional homeland security equipment within our communities, allow for training and exercise reimbursements, provide contractual services for planning and project support and provide set aside funding to the Hartford Bomb Squad, Capitol Region HAZMAT Team, MMRS, and for the protection of soft targets and election security. Each of these projects are assets to all Region 3 member communities and enhance emergency preparedness within the region.

Financial/Operational Impact: This award is for \$420,956 and includes an additional \$60,000 to CRCOG to provide management support and oversight. CRCOG is not expected to provide any matching funds.

Project Schedule: The grant funds will be made available within the next few months, with a performance period of two years.

Recommendation: I would respectfully request and recommend that the Policy Board act favorably upon this resolution.
