

CRCOG is underway with updating our Metropolitan Transportation Plan (MTP). The revised plan – *Connect 2050* – will be a long-range vision for transportation in the Capitol Region. We held public meetings on November 16th and 17th to kick off our MTP update, explain the process, and take initial comments from the public. You can find recordings of the meetings and presentation slides on our website.

[MTP Connect 2050](#)

A draft of the updated MTP will be released in February, coinciding with additional public meetings and outreach. In the meantime, we want to hear about your transportation priorities for the Region! Please take our survey, which is also linked on our [MTP website](#). If you've already taken the survey, please help us spread the word. We want to hear from as many people as possible. The survey is available in English, Spanish, and Polish. Survey respondents will have the option to be entered into a raffle to win a \$25 gift card.

Please let me know if you have any questions, comments, or ideas related to our Connect 2050 effort.
