

CRPC #731 INVITATION TO BID

Recycling Bins

ADDENDUM 1

Opportunity Q&A Answers

What are the quantities required of each size of bin?

Please see bid table.

We have noticed line items for 60/65 and 90/95 gallon carts, then for 64/65 and 95/96 gallon carts. Is there a difference between them that bidders should be aware of?

Please see Section II. TECHNICAL SPECIFICATIONS/ADDITIONAL REQUIREMENTS of bid specifications at <https://crcog.bonfirehub.com/documents/view/2091262>

The price sheet requires what appears to be different pricing configurations for carts. For Example: a price for #07, versus an all-inclusive price for #0-9. What is the difference between an "all-inclusive price" for one category versus a price without the "non-inclusive" designation?

Please see bid specifications below regarding BID PRICES:
