1. Call to Order and Roll Call:

Chairperson Mayor Marcia Leclerc called the meeting to order at 12:01 pm.

2. Public Comment:

There was no public comment.

3. Approval of Minutes from November 18, 2020:

Chairperson Marcia Leclerc requested a motion to adopt the minutes.

Jon Colman made a motion to approve the Policy Board Meeting minutes from December 16, 2020. Dr. Chip Beckett seconded the motion and it carried unanimously.

4. Correspondence/Handouts

There were none.

At this time Mayor Leclerc entertained a motion to discuss the recently introduced Traffic Safety Bill 5429 with the purpose of reaching a consensus on whether CRCOG should support this in upcoming public hearings.

Jon Colman made a motion to discuss the Traffic Safety Bill. Dr. Chip Beckett seconded the motion and it carried unanimously.

Jon Colman explained the Traffic Safety Bill 5429 and stated that the Statement of Purpose is fairly inclusive of what the full bill contains, noting additional updates on pedestrian crosswalks. These updates include allowing a 25-foot minimum distance from a crosswalk and/or intersection for parking and vehicles yielding to pedestrians on the curb who are indicating their intention to cross as opposed to actually being in the crosswalk before a car yields the right of way to pedestrians.

Of particular interest to municipalities, the Bill would also allow local traffic authorities to establish speed limits and pedestrian safety zones. The helmet safety requirement was removed from an earlier version of the bill.

After some discussion, the Board consensus was to move forward with support of the bill subject to amended language that the subject of pedestrian crosswalks and/or intersections be permissive rather than mandatory.

5. MONTHLY REPORTS:

a. Chair and [Executive Director](#)

Dr. Wray welcomed Aaliyah Miller, Senior Communications Manager to CRCOG. Aaliyah said she is excited to be with CRCOG and looking forward to working with everyone. He also noted the addition of two full time Planners, Ryan Faulkner and Chris Henchey. CRCOG is now fully staffed with no vacant positions.

The Capitol Region Council of Governments has entered into a shared Federal Lobbyist agreement with Chris Giglio of Capital Edge; Chris will also be working with Pioneer Valley and the Knowledge Corridor and will be focusing on transportation and workforce issues.

The Boston Rail Economic Impact study is nearing completion and there will be a presentation for the Policy Board once that is finalized.

Dr. Wray reported that Tim Malone is working with the State Department of Economic and Community Development on a second version of a COVID Recovery Economic Development Administration grant. The grant would provide \$400,000 to regions that did not receive earlier non-competitive grants from US EDA. CRCOG has scheduled several phone calls with various foundations to secure a match for those funds and will keep the Policy Board apprised of progress.

Lastly, the tentative scheduled date for the CRCOG Annual Meeting is Wednesday, June 2, 2021. It is likely that this will be a virtual meeting. We are currently soliciting ideas for a speaker. Please send all suggestions to Lyle or Pauline at lwray@crcog.org or pyoder@crcog.org.
