STEVE -

We are pleased to advise DRVN Enterprises that Michigan Salt Global has a partnership agreement in place with our JV partner in Egypt Dr. Mohamed Magdy for 10 years with a 10 year option which guarantees us bulk salt supply and pricing up to 500,000MT per year loading out of Damietta, Egypt. This contract started and was signed in January 2016. We secured all rights to the salt mine with the land owners where our salt is produced and we also have secured/leased (2) large storage areas at the port in Damietta with capacity to hold 200,000 tons ready for loading prompt. We are very excited and look forward to helping DRVN grow.

We thank you for your continued support and our plans are to supply DRVN any salt needed to keep the roads safe in CT and other areas for many years to come. Best of luck!
