Environmental Considerations & Anti-Fracking Material Ordinances

"I, Anthony T. Patton, who is Director US Gov't Bulk Deicing Sales & Marketing of Morton Salt, Inc., duly swears that our Blizzard Wizard product being offered is ecologically safe and is in compliance with applicable CT Department of Environmental Protection & US Environmental Protection Agency regulations. Morton Salt does not sell or manufacture any material obtained through fracking."

Anthony T. Patton
Director, U.S. Gov't Bulk Deicing Sales & Marketing
