**WATERBURY
GREEN**

Temporary improvements to four intersections along Central Ave

Design inspired by flags of nationalities present in the neighborhood

Scheduled for June 16 & 17

NORWICH
CENTRAL AVE

LEGISLATION

H.B. No. 5429

DOT Ped/Bike Safety Proposal

1. To enable municipalities to change speed limits on municipal-owned roads;
2. To allow municipalities or the Department to create a pedestrian safety zone;
3. To require motorists to grant the right-of-way to a pedestrian who is standing at the curb and who affirmatively indicates their intention to cross the road in a crosswalk;

- 4. To clarify that vehicles must not be parked within 25 feet of a marked crosswalk whether it is in an intersection or at mid-block; and
- 5. To require people in a vehicle to open their door with a degree of care for moving traffic (vehicles, bicyclists, and pedestrians).

PBIC: PEDESTRIAN SAFETY ON ARTERIAL STREETS

June 15, 2021

1pm to 2:30pm

During this webinar, panelists will share the latest research on the safety, equity, and health challenges presented by arterials and what can be done to rebalance these streets for all road users.
