The Capitol Region Council of Governments introduces an opportunity to become a **Regional Planning Intern** for the Summer of 2022.

The Capitol Region Council of Governments (CRCOG) is a voluntary Council of Governments formed to initiate and implement regional programs of benefit to the towns and the region. CRCOG is guided by the chief elected officials of its 38 member municipalities. The mayors, first selectmen, and town council chairmen who make up CRCOG's governing Policy Board recognize that the future of the individual members is tied to the future of the region. Members have collaborated for more than 50 years on a wide range of local and regional projects. CRCOG is the largest of Connecticut's nine regional planning organizations and serves as the Metropolitan Planning Organization (MPO) for the Metro Hartford area.

This position will provide support to other staff members within the Planning Department and will report to either the Transportation Deputy or the Community Development Deputy.

This is a **Part Time** position (21 hours/week) for **May-August 2022**

Salary: \$15-\$20 per hour

Regional Planning Intern

Summary of Position

CRCOG is seeking a summer intern to perform a variety of transportation planning, community development planning, and/or data analysis activities. This position will support staff within the Planning Department.

Essential Duties and Responsibilities

Assists with a broad range of regional planning activities that could include transit planning, safety planning, regional land-use planning, scenario planning, bicycle/pedestrian planning, corridor studies, capitol project advancement, grant programs, and/or data collection and analysis. This position may assist in preparation of monthly and quarterly reports, website postings, and invoices. Other planning-related tasks may be assigned. The position will require collaboratively working with others.

Desirable Knowledge, Skills, and Abilities

Basic knowledge and understanding of the principles of community development planning, land use planning, transportation planning, and/or data analysis is desirable. The position requires strong oral and written communication skills; proficiency with word-processing and spreadsheets; the ability to prepare clear, accurate records and reports; time management skills to allow for the handling of multiple assignments simultaneously; and effectiveness under pressure of variable deadlines.

Minimum Training and Experience

Enrollment in a Bachelor's or Master's program at an accredited college or university with a major in transportation planning, urban planning, or civil/transportation engineering.

Licenses and Certifications

May need a valid driver's license or the ability to obtain.

Physical Demands and Working Environment

Primary functions require sufficient physical ability and mobility to work in an office setting.
