MES Shipman's Exceptions:

DELIVERIES/ BIDDER PERFORMANCE/LIABILITY FOR DELIVERY FAILURES

Due to supply chain issues MES can check at time of order with MFG's on production and or stock however delays in delivery are out of MES control and MES will continue to work with MFG's as always to get the best lead times. Upon any news of hearing delays beyond acceptable time required MES will work to get replacement items with matching spec and matching price if possible, upon customer approval

PATENT CONSIDERATIONS

MES extends protection for this condition to the extent of the warranty. Any claims not within the protection of the warranty, MES reserves the right to review each claim to determine responsibility between MES and the respective manufacturer
